

Duoflex Advanced

This uncomplicated treatment and examination couch has the same qualities as the Duoplus, but has additional armrests. The armrests are adjustable and they provide an extremely comfortable ventral position, with the best possible relaxation of the shoulder and neck muscles. The armrests can be removed.

- 2-section support surface, with a short head support.
- Head section can be adjusted positively and negatively, and can also be adjusted almost fully downwards.
- Plenty of free space underneath the head section.
- Provided with armrests

Standard features

- Central wheel-lifting mechanism with 4 casters.
- Head section gas spring support.
- Gymna Stability Profile (GSP).
- Non slip feet.
- Cushions with padding of 40 mm.
- Breathing hole head section, incl. cushion.
- Cushions in a choice of 8 colours.
- Prepared for shoulder traction supports.
